

**ATTENTION: ALL GREENWICH POINT WHARF FERRY USERS  
PROPOSED CHANGES TO FERRY ROUTES (FROM MID 2021) WILL TAKE  
GREENWICH TRAVELLERS TO BARANGAROO, NOT CIRCULAR QUAY.**

The quick and pedestrian friendly access to bus, train, light rail and airport rail link that Circular Quay offers will be gone.

Commuters will face **at minimum a 10 minute walk** from Barangaroo to Wynyard Station, much of it without weather protection and with four flights of stairs or escalators.

Even more walking if you want to catch buses or the light rail on George Street.

A tough ask for those who are less mobile and families with young children – a long walk and four lifts to negotiate.

**And the Barangaroo Metro station is not due to open until 2024!**

**WE HAVE BEEN GIVEN LITTLE TIME TO HAVE OUR SAY.  
SUBMISSIONS CLOSE 14 FEBRUARY.**

**Transdev is the ferry operator. Its "Have Your Say" process is messy and frustrating, but please persist.**

Transdev has agreed to attend an information session prior to our **GCA public meeting on Wednesday 19 February**. This is after the submission deadline but we hope you will be at the meeting to have your say and that Transdev will listen. More details in our forthcoming newsletter.

**Don't take your chances on an extended consultation period.**

**Please get your comments in by 14 February.**

**And tell your friends – many people will hear this news for the first time this week!**
