Dear Community Member

Next Council Meeting - Tuesday 19th April 2022

The link to the Business Papers of items to be considered at the meeting is [here](#)

Specific items of interest to Greenwich residents include:

- Mayoral minutes re the Sport and Recreation facility (alternatives being considered) and Bob Campbell Oval (formation of the BCO working group and its initial meeting)
- Initiatives to include the community in consultation on Planning Proposals - before the process progresses through Council to NSW Planning
- Canberra Ave, St Leonards South, to remain open until all construction in the immediate area has been completed. The closure of Canberra Ave (south of Duntroon) to be subject to future review,
- Duntroon Ave to carry NO construction traffic for SLS developments
- A SLS Co-ordination Unit to be formed. A working group comprising East Ward Councillors, developers, Council staff, residents from adjacent unit buildings and a representative of the Wollstonecraft Precinct Committee

The meeting is open to the public. Residents can address Council from 7.00 pm. To speak, you need to register by Midnight Sunday night. The link to register is [here](#)

Next GCA Meeting - Wednesday 20th April 2022

Following the day after the Council meeting!

7.30pm Greenwich Sailing Club - off O'Connell St.

All residents are very welcome to attend and have their say on local matters of concern.

Snap Send Solve

As reported in our last email, community members can report maintenance matters to Council on-line. Download the APP via [Home - Snap Send Solve](#). Pot holes are very popular at the moment!

Kind regards

Peter Deane
President
