Dear Community Member

Public Apology by Liberal Councillors, Mayor Scott Bennison, Katherine Mort, & David Brooks-Horn.

The attached apology & correction appeared in the November Issue of The Village Observer.

The published apology has been made by Mayor Bennison and Councillors Mort & Brooks-Horn, 8 months after the original published statement, and as a result of diligent input by members of the community to set the record straight.

It is concerning for our community that such a serious public statement of misinformation can be made by experienced Councillors (particularly those representing a major political party) and was not just an unfortunate inaccuracy.

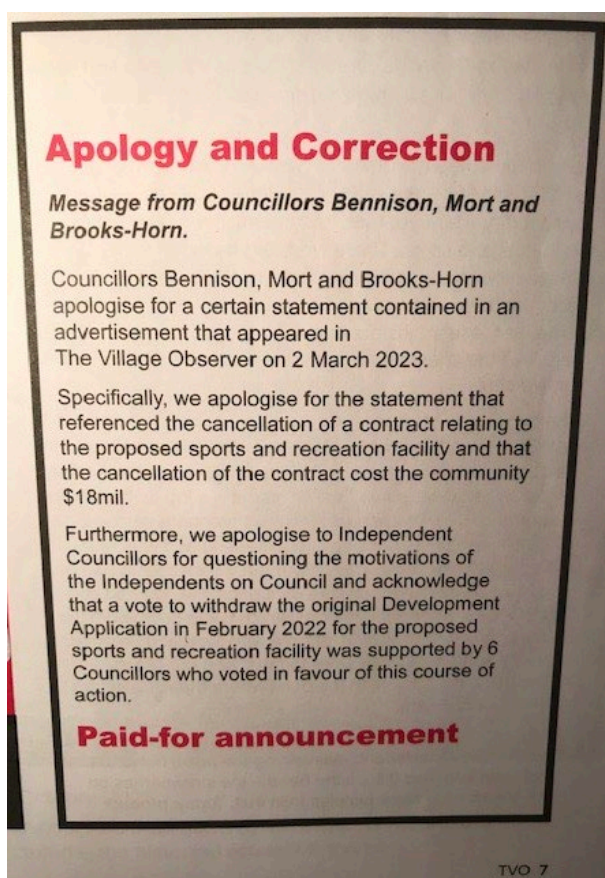

The damage thus caused to our Independent Councillors, falsely accused, both personally and for their professional reputations is difficult, maybe impossible to assess, much less repair, irrespective of this eventual apology.

When we are deciding who deserves our vote at Council Elections again next year, we must seek assurances from Councillors that this type of behaviour will never be repeated while in public office.

Kind regards

Peter Deane
