14 July 2022

Dear Community Member

COUNCIL SPORTING CLUB ADVISORY COMMITTEE NOMINATIONS DUE 18TH JULY 2022

Lane Cove Council is establishing a Sporting Club Advisory Committee.

A link to the Council website detailing nomination procedures is [HERE](#)

"The objective of the Sporting Club Advisory Committee is to act as a central point of communication between Council and community stakeholder representatives, as users of open space facilities in the Lane Cove LGA, to provide advice on the provision of:

- *Reviewing and suggesting any changes to the Open Space Plan 2016 - 2026 and any future reviews of the Open Space Plan;*
- *Assisting Council with the implementation and planning of any recommendations arising in the Open Space Plan;*
- *Proactively engaging with stakeholders to attend Committee meetings for expert advice;*
- *Act as a focus of communication between Council and codes in the LGA; and*
- *Strive to achieve best practice for the Lane Cove community.*

Council is calling for nominations from:

- *One (1) representative from each sporting club using the LCC sporting facilities; and*
- *One (1) member from each School who use Council's sporting facilities"*

I am very happy to report that membership drive was successful with many "new" and "old" residents signing up or re-joining. Thanks to all.

We now have in excess of 200 paid up members and the Association is in a healthy financial position. Our financial year is January to December so there is still plenty of time to sign up for 2022 for those who missed us at the Greenwich shops!

For more details about the GCA - past submissions, newsletters etc please visit our web page www.greenwich.org.au

Kind regards

Peter Deane

President
