18th February 2024

Dear Community Member,

Please read urgently

Proposed change to Bob Campbell Oval allowable community activities

We have noticed in Council papers published last week that Council is proposing a **major change to the allowable community activities on Bob Campbell Oval** once it is rebuilt

The community came together and fought hard for a natural grass oval available to be used by all members of the community

Without community consultation the **council now proposes to ban dogs** from running and playing on the oval and to provide a smaller exercise area in the space previously identified as a playground on the plan

The reason given for this is 'dogs have dug holes, defecated on the fields, and left sticks'.

Council's solution is to ban dogs from the fields. However, the community has not agreed to this.

Council's proposals can be seen in Council's papers **Item 6** for next Thursday's Council Meeting (22nd February 2024) see link [here](#)

It is critical that the community turn up in large numbers to the Council

Meeting at 7pm and if possible register to speak.

You can register using this link [here](#)

or on the Lane Cove Council Website www.lanecove.nsw.gov.au

Kind regards,

Peter Deane
