

Dear Community Members

“Save our Golf Course Parklands”

Community Stall at midday this Saturday 19 June

Lane Cove Plaza

Lane Cove Council has on exhibition a Development Application for a Sports and Recreation Facility on the golf course site

[DA64/2021](#)

Comments on the DA must be with Council by 30/6/2021.

It has also commissioned a community panel process to make recommendations to Council about the best use of the golf course site (specifically excluding the Sports and Recreation Facility).

The panel recommendations will be submitted to Council for its consideration.

Adrienne Cahalan OAM, a lifetime Lane Cove resident, is hosting a stall this Saturday in Lane Cove Plaza out of her concern about the long-term impact of Lane Cove Council's plans for the golf course site.

Kind regards

Merri Southwood

President
