

Dear Community Members

BCO RESCISSION MOTION DEFEATED

Regrettably, Lane Cove Council voted 4-4 last night on the rescission motion for Bob Campbell Oval.

This meant the motion was defeated.

And, as a consequence of the rejection of the rescission motion, the second motion to explore the natural turf option was not put.

The Council is pushing ahead with the synthetic sports ground in its BCO Master Plan.

Our thanks to Councillors Brooks-Horn, Vissel and Morris for putting up the rescission motion and to Councillor Zbik for his support of the motion on the night.

And our special thanks to the people who presented to Councillors in a public forum.

Their addresses to Council were magnificent.

Similarly thanks to those 50 or so residents that made their presence felt outside Council chambers.

The fight will continue, there are many questions to be addressed and answered before a sod of earth is turned.

Kind regards

Merri Southwood
