

**Dear Community Member,**

**Monday 16 November was sad night for a community that has fought so hard.**

**Lane Cove Council voted to go ahead with its plans for Bob Campbell Oval, making absolutely no changes to the plan despite overwhelming community concerns.**

**The Councillors who voted for the plan were:**

- Mayor Pam Palmer (East Ward)
- Councillor Bennison (West Ward)
- Councillor Brent (Central Ward)
- Councillor Strassberg (West Ward)

The Councillors who voted against the plan were:

- Councillor Vissel (East Ward)
- Councillor Morris (Central Ward)
- Councillor Zbik (West Ward)

**Only one of our East Ward Councillors - Councillor Vissel - supported her community.**

**Our third East Ward Councillor, David Brooks-Horn, was absent.**

**Over 1600 community members signed our petition and at least 200 people wrote incredible submissions, but it seems 4 of 7 of our elected representatives did not want to hear from us.**

**They call this consultation.**

**Thank you to all who worked so hard in the BCO fight. We won't give up. As always,  
we thank you for your support.**

Kind regards

Merri Southwood

President
