

**Dear Community Member**

**Over the last few months, together with a group of residents I have been campaigning against the works proposed at Bob Campbell Oval.**

**Thankyou all for your support and engagement to date.**

**With Council's public consultation process commencing the GCA has now formally resolved to oppose the BCO works, and you will have today also received an email from Merri Southwood, President of the GCA, on the topic.**

**The GCA's involvement is is very good news as a major campaign is proposed and details will be circulated in the next few days.**

**Many of you have already indicated your willingness to assist with petition collecting etc so we will be in touch.**

**And if you want to get hands on but have yet to indicate a desire to do so please respond to this email.**

**The consultation period is 6 weeks. No stone will be left unturned to have Council change its plans.**

**Finally, please resubmit your objection letter/email again to Council so as to be sure it is recorded as part of their formal evaluation process.**

**With kind regards and thanks**

**John Southwood**
