

Dear Community Member

BOB CAMPBELL OVAL (BCO) MASTER PLAN HAS BEEN RELEASED FOR COMMUNITY CONSULTATION

Go to "Have Your Say" on Council's website - [click here](#) for the information package.

The GCA has resolved to oppose the development works at BCO because it means the end, forever, of the only significant piece of level green open space in Greenwich for active and passive recreation, off leash dog walking and a plethora of family friendly activities better conducted on grass than plastic.

In the coming days a more detailed email on specific issues we are concerned about will be forwarded together with outlines of the GCA's campaign plans.

Meantime all those community members who have already submitted an objection to the plans will need to re-send them so as to be included in Council's evaluation package.
