### Submission deadline looming for Greenwich Wharf Upgrade Concept design

5 May 2021

Transport for NSW is proposing an upgrade to Greenwich Wharf.

[Click Here for Transport NSW flyer](#)

Letterboxing by Transport for NSW has been limited and this may be the first time many residents and commuters will have heard of these plans.

The Greenwich Community Association has written to the Minister for Transport to seek an extension of time to make submissions but, at this stage

There may be alternatives to the proposed design that will achieve the accessibility objectives behind the wharf upgrade.

### HAVE YOUR SAY

**Complete the online survey at:**

nsw.work/greenwichwharf

**Make a submission to:**

wharfupgradeprogram@transport.nsw.gov.au

**Synthetic Sportsgrounds  
Impacts and Alternatives**

David Shoebridge MLC, in conjunction with Save Gardiner Park, hosted a webinar on Thursday 22 April.

***Astroturf: Greenwashing and the privatisation of public space***

This webinar provided an excellent opportunity for communities that face the prospect of synthetic sportsgrounds to share information and to hear grounds and alternatives to synthetic surfaces.

The video of the webinar is available on: [Click here](#)
