

Dear Community Member

Bob Campbell Oval

At its meeting tonight (Monday 15 February) Councillors voted unanimously to support Councillor Vissel's motion as follows:-

That Council provide to the community via the Council website, as and when they become available, the design detail for the Bob Campbell Oval Master Plan and all technical and environmental reports (including the Review of Environmental Factors) relating to the project.

Given the high level of concern about health, environmental and other impacts of the proposed synthetic surface of the sports ground at Bob Campbell Oval, the resolution of Council tonight is an important one.
