

Dear Community Member

The deadline for submissions to Council on the Bob Campbell Oval Master Plan has expired.

Thank you to all who copied us into your submissions – no form letters here, just clear and heartfelt messages to our Councillors. In addition, there were a significant number of excellent technical submissions regarding mental and physical health, environmental and planning issues.

We have not been able to clarify exactly when the submissions that went to the service@lanecove.nsw.gov.au email address will go to Councillors.

If you emailed your submission to the above address only, we suggest that you forward it to Councillors@lanecove.nsw.gov.au to ensure that all Councillors get your submissions in good time to read them.

The GCA submission is attached. Please [click here](#)

We now have over 1500 signatures on our petition to Council but will keep collecting until Thursday afternoon 5 November.

Please return signed sheets to 17 Mitchell Street, Greenwich or email southwood@bigpond.com to arrange for collection.

A copy of the petition is attached . Please [click here](#).

At this stage, Council is to receive a report to consider the final Bob Campbell Oval Master Plan for adoption on Monday 16th November.

We will know what the report recommends when the Agenda is released – normally the Thursday night before the meeting.

The report should include copies of all submissions made, with identifiers redacted.

We are following up to ensure that this will be done.

We will let you know when the report is out and provide details of how to register to address Councillors on the night.
