

Dear Community Member,

Countdown to deadline for Bob Campbell Oval Submissions

Thank you to all who have responded so magnificently to our call for community members to make submissions to our Council and Councillors.

It is important that the community's message is clear about Council's plans to lay a synthetic surface on Bob Campbell Oval and the other changes that flow from this.

For those who intend to do so but have not got around to it, you have until **5 pm on Sunday 1 November to make a written submission.**

Please email submissions to service@lanecove.nsw.gov.au

**Please copy the Mayor and Councillors
councillors@lanecove.nsw.gov.au**

**And, if you are happy to do so, please copy in the GCA
southwood@bigpond.com for record keeping**

The GCA will continue to collect signatures on its petition after the Council's submission deadline

Our signature tally has hit over 1200 but we need more signatures in support of the **NO SYNTHETIC** case

We want our Councillors to get the clear message that the grass surface at Bob Campbell must remain, be improved and be maintained.

Here is a copy of our petition. [Click here](#). We hope that many community members will run off a copy or two and ask their family and friends to sign.

Please scan the signed petitions back to us by 5 pm on **Wednesday 4 November** and we will arrange to collect the original signed copies.

Monday 16 November

Buy a BCO T-shirt @ \$25 each (cost price) payable to the GCA BSB 062247 Acct No 10104085.
